

## Introduction

When I learned Thai I spent many tedious hours to memorize the spelling of letters, the different classifications of consonants and the rules that apply.

After presenting the main mechanisms of the Thai script I got back into the skin of one who is in a learning phase and found that it lacked a fun way to test their knowledge.

Also this chapter is intended to verify your assets but it is also intended to help you save while playing. You will find many chapters corresponding to the Quiz court Thai.

We hope this quiz will test your knowledge nicely.

I wish you good reviews.
